STRUGGLES I PASSED THROUGH

🖥️ **Learn Programming**

I didn't have a computer at home, so instead of taking classes at the university, I used to learn programming by sitting in the lab. and sometimes I used to go cyber cafe and learnt programming.

💼 **Follow Passion**

Even though everyone discourage me at home because I quit my fun job to follow my passion, but I turned around with my own efforts and proving myself ended up in a much better place.
